Demonstrating and Tutoring

Reflection and Feedback Session

The sign up link for the reflection and feedback session for demonstrators has now closed. The session will be held on Wednesday 11 April from 0930-1100 in JCMB room 4325C. If you would like to come along, please email bto.demonstrators@ed.ac.uk.

What is demonstrating and what do I need to do?

There are opportunities to act as a demonstrator in undergraduate and MSc classes; to assist in practical laboratory, computing or problem solving sessions. This provides valuable experience, some income, and an opportunity to become more involved in the teaching work of the School of Biological Sciences. PhD students should first consult their supervisor. Demonstrating on courses administered by the Biology Teaching Organisation (BTO) is coordinated by Dr Ann Haley/ Louise Hann (bto.demonstrators@ed.ac.uk).

If interested please:

1. Click here to sign up for the Demonstrator Training Course (link not live yet). The next course is being held in summer 2018. Programme for the Training Session in December 2017

Anybody wishing to demonstrate on courses administered by the BTO will only be permitted after attendance at a BTO PhD Students’ Demonstrator Training Course.

2. Apply for the BTO demonstrator vacancy on https://www.vacancies.ed.ac.uk/ The demonstrator vacancy reference number for 2018/19 is to be confirmed. The vacancy for Floor Leaders, Tutors and Markers for 2018/19 will be confirmed later in the year.

No CV, personal statement or references required. Enter N/A (not applicable) when the application form asks for CV, personal statement or references.

3. Register to be a demonstrator: Registration Form (Requires EASE login) - to indicate which courses suit your area of expertise.

You MUST include your National Insurance number. If you don't have one, you will need to apply for one from https://www.gov.uk/apply-national-insurance-number. Please keep your registration up to date

4. Demonstrate your eligibility to work in the UK by presenting appropriate documents at the main BTO office (JCMB 2105) before work is allocated. The office is open from 0900-1700, Monday to Friday.

• Evidence of eligibility to work in the UK must be obtained from ALL recruits before an offer of employment is made, before the contract of employment is issued and before the employees start date.
• The documents suitable to demonstrate your eligibility to work in the UK are described on the checklist that you will be required to submit. For most students this will be a passport or ID card, and visa where appropriate.
• Visas must be either Biometric or must be in a valid passport.
• For some nationalities there are additional requirements eg. an accession worker authorisation document (for those who are Croatian). It is your responsibility to bring the correct documentation for your nationality. If in doubt contact hrscieng@ed.ac.uk.

For more information on the processes for the production of contracts and payments, please look at our ‘Information for Demonstrators’ page. There is also eTime guidance.

For those who wish to terminate their contract please fill out the End of Employment form (complete the boxes which are shaded yellow) and send to bto.demonstrators@ed.ac.uk.
Useful Information Regarding Demonstrating

Preparation:

- Demonstrators are expected to have read any notes regarding a session beforehand and be familiar with what is expected during a particular session. Demonstrators cannot claim for preparation time.
- Tutors and floor leaders (not markers) are permitted to claim one hour of preparation time for each hour worked.
- Disclosure Scotland: Disclosure Scotland certificates obtained via the Protecting Vulnerable Groups Scheme are no longer required by either tutors or demonstrators.

Courses:

- The next Demonstrator Training Course is to be confirmed. No demonstrating will be permitted until you have attended. Please attend training at the earliest opportunity.
- The Demonstrator Feedback session for new demonstrators will be held in April 2018.
- The next Tutor Training Course for postdocs will take place at the end of August 2018. Please email Nadia.Tuzzi@ed.ac.uk if interested in attending.
- Other courses are provided by the Institute for Academic Development, but to demonstrate for Biological Sciences you must have attended a BTO training session.

Useful Documents for Demonstrators

- BTO Demonstrators’ Handbook
- Course Summaries for years 1 to 3
- Grade 5 Timesheet (Demonstrators)
- Grade 6 Timesheet (Tutor/Floor Leader/Marker)
- eTime guidance
- Tax Form P46
- Bank Mandate
- Adhoc payments
- End of Employment form
- Policy for recruitment and support of demonstrators and tutors

List of Courses 2017/18

Demonstrators may also have to attend compulsory meetings, which will be paid. These are not listed, since they vary between courses.

Semester 1

First Year Courses
### Origin and Diversity of Life 1 (ODL1)

#### Dates:

- 25 September 2017 - 6 October 2017
- 9 - 20 October 2017 (Botanics)
- 23 October 2017 - 1 December 2017

#### Sessions Available:

- **Monday**
  - 10am – 1pm
- **Wednesday**
  - 2pm – 5pm
- **Thursday**
  - 2pm – 5pm
- **Friday**
  - 10am - 1pm
Quantitative Skills for Biologists 1 (QSB1)

Dates:
To be confirmed

Sessions Available:
Tuesday
1000-1200
Thursday
1000-1200

Second Year Courses

Evolution in Action 2 (EiA2)

Dates:
25 - 29 September 2017
9 October 2017 - 24 November 2017

Sessions Available:
Tuesday
2pm - 5pm
Friday
2pm - 5pm
The Dynamic Cell 2 (TDC2)

Dates:

18 - 22 September 2017

2 October 2017 - 17 November 2017

Sessions Available:

Wednesday 10am - 1pm

Wednesday 2pm - 5pm

Friday 2pm - 5pm

Assistant tutors are also required. For these positions you will be paid at a demonstrator rate, but will be paid for an additional 1 hour preparation time.

The Green Planet 2 (TGP2)

Dates:

18 September 2017 - 24 November 2017

Sessions Available:

Thursday 2pm - 5pm
